Judy,

Thanks for talking with me this morning regarding the d/b/a (Real Home Phone Service) that was indicated on Global's IXC Authorized Utility Representative Form for Telecommunications Carriers that was submitted to the Commission with a letter from Bonnie Shealy, Esquire dated September 15, 2010. This email will verify that Global Connection Inc. of America does not have a d/b/a and is doing business in South Carolina as Global Connection Inc. of America only.

Should you have any questions, please feel free to contact me.

Subject: 2010-220-C - global Connection Inc. of America

Neil,

The Public Service Commission received an Authorized Utility Representative form from Global Connection Inc. of America on September 15, 2010. The form shows that Global is doing business as (d/b/a) Real Home Phone Service. The Public Service Commission has not received a request for an amendment to d/b/a as Real Home Phone Service on Global Connection Inc. of America. The Commission would have to approve Global Connection Inc. of America to amend its certificate to d/b/a Real Home Phone Service in the State of South Carolina. Please get back with me as soon as possible regarding this matter or send in writing requesting to amend Global Connection Inc. of America's certificate by adding d/b/a Real Home Phone Service to its Certificate for the above docket. Thanks, Judy
